DROP-OFF AND PICKUP PROCEDURE

When dropping off children for rehearsal, enter the driveway at the back of the church from S. Van Dien Ave., park your car in an available spot and escort your child up the stairs into the rehearsal room and check in with the Chorus Manager. Plan to arrive about 10 minutes early so there is time to check your child in and have him or her be ready to sing PRIOR to the rehearsal start time.

Transportation to and from rehearsals is the responsibility of the parents, as are car pools, etc. We can provide contact information for parents of chorus members in your vicinity to facilitate your organizing car pools.

Choir members are not supervised outside of rehearsal times. Members should not arrive more than 15 minutes prior to a call time and should be picked up promptly at the end of rehearsal. A written warning will be sent to parents who are late picking up their child by more than 15 minutes after the end of rehearsal. Additional late pickups will result in an additional warning and may result in the dismissal of the child from the chorus without tuition refund.

Parents must come into the rehearsal facility to pick up the child. Children will not be released to any adult other than the parents unless we have a completed Alternate Designee form for the child. Be advised that we may ask the designee for photo identification before releasing the child.
